QUALIFIED. - R. D. Ruffin, colored, of this city, yesterday qualified as sheriff of the coupty by taking the oath of office before Judge Sungster at Fairfax Court House, J. A. Seaton and T. B. Pinn, both colored, being his bondsmen. Ruffin has been studying law at the Howard University during the last two or three years. He is said to be the first colored man that has ever taken the oath of office as sheriff in Virginia.

## LOCAL BREVITIES.

The track laying on the East Alexandria railroad has been completed nearly to Uniontown, across the Eastern Branch, a fine bridge having been thrown over the track of the B. & P. R. R. at that point, and work on the line is rapidly progressing in the direction of the river, opposite this city.

A letter addressed to Miss Frances Gillingham, Philadelphia, Pa., and one to George F. Carson, without Post Office direction, are held in the Post Office here, the former for want of a postage stamp.

The funeral of the late Mr. Thos. Channey was attended this evening by the Red Men and was a member.

There was but one case at police headquarters to-day-that of a colored man, who, for drunkenness and disorderly conduct, was fined and discharged. A colored man living near the tunnel cap-

tured a large o'possum in his yard last night, attracted there by a desire to feast on chickens. The large meteor seen in this vicinity on Christmas Eve, between 7 and 8 o'clock, was a'so observed in Spotsylvania.

The January term of the County Court Judge James Saugster to preside, commences on Monday.

A full attendance is desired at the meeting of the Hook and Ladder Company to-night. Five lodgers were accommodated at the station house last night.

The very flattering success I have met with in such a short time from the citizens of Alexandria and vicinity is conclusive proof to me that they will patronize home manufactures-especially have I found this to be the case-and they may rest assured that it shall be my earnest desire to give them the best that can be manufactured. I shall keep constantly on hand a very SUPERIOR SOAP that will compare favorably with any in the market. Wishing all a

It is understood that Gov. Kemper will not occupy the Executive mansion for a week or ten days, as some necessary repairs are being made. It is further reported that the Governor is to place at the head of the domestic and social affairs of the Executive mansion one of Virginia's fairest daughters, formerly of Rap pahannock county, but lately removed to Spot sylvania.

The Senate has abolished the office of second door keeper -always a sinecure-for the past four years held by Abram Hail, a very worthy colored man.

On Tuesday night last, the delegates of the "granges" of the State met at the Exchange Hotel and organized a State Grange of the Patrons of Husbandry. D S. SECOND DISPATCH.

RICHMOND, Jan. 2.- Last night the First Regiment, Virginia Volunteers, under command of Col. Stone, turned out, and with their excellent band serenaded Gov. Walker, who is for the present stopping at the Exchange Hotel. There were several thousand people congregated in the street, to whom the ex-Governor made a very happy speech, during the delivery of which he was frequently applauded. The demonstration was a very grand affair, and was an evidence of the high estimation in which Gov. Walker is held by the people of Rich-

Gov. Kemper's message is published in full in all the city papers, and is endorsed by the Knights of Pythias, of which orders deceased | State Journal (Radical.) The Whig cordially endorses it, and the Dispatch says that it is a most admirable message for a new Governor. The Enquirer speaks in high terms of it.

Both branches of the Legislature to-day held short sessions, and after the transaction of some unimportant business, the presentation of sundry bills, resolution, &, &c., passed a joint resolution to proceed to the election of State officers to-morrow, and then adjourned.

A caucus of the Conservative members will be held to-night, when it is probable all the officers will be nominated. There is no opposition to the present incumbents, except for the positions of First Auditor, Superintendent of Public Buildings, Superintendent of Public Printing, and Superintendent of Public Educa-
